Industry: Engineering, Oil & Gas
Location: Warrington, Liverpool, Manchester, Cheshire
Rate: £23K - £27K depending on experience
Job Type: Permanent & Fixed Term Appointments
Start Date: ASAP*

Sonomatic are looking to recruit an enthusiastic Graduate Mechanical Engineer with an appropriate higher education qualification combined with a minimum of 1 year's industry experience to join their engineering team.

We are a leading NDT company specialising in the design and development of advanced automated ultrasonic inspection solutions, supporting our worldwide NDT field service division. Projects typically range from bespoke ROV/Diver deployed automated inspections, to topside remotely operated inspections. Our projects are always pushing the boundaries of inspection in some aspect whether it be operating depth, temperature, speed of inspection, or size. The working environment is both exciting and satisfying with new challenges every day.

The position will suit an innovative individual with a Mechanical Design Degree (or college qualification with good Experience) and a good knowledge of small mechanism design. Ideally the right candidate will also have some experience of working with mechanical machinery, mechanical assembly, gear mechanisms, multi part component / assembly design and some materials knowledge.

The suitable candidate will support the design team with product and prototype design activities, testing and approving prototypes, and investigating design related problems. Tasks will also include the creation of assembly and engineering drawings, bills of materials, and equipment operation guides.

Candidates should have a good appreciation of mechanical engineering and be confident in using a 3D CAD package (Inventor, Pro/Engineer, Solidworks).

Benefits, dependant on appointment:

- *5% Employer pension contribution*
- *20 days holiday plus bank holidays*
- *Discretionary leave over Christmas period*
- *Option to purchase additional holidays via Salary Sacrifice*
- *Profit Share Bonus*
- *Paid overtime at increased rates for evenings and weekends, dependant on salary*
- *Discretionary overtime reward scheme triggered by total additional hours worked*
- *Flexible working around core hours*
- *Team events (social & company)*
